

## **WEEKLY UPDATE**

**September 15, 2020**

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. Our total of COVID-19 cases were 12 residents and 5 staff members. We have had no new cases in the past month. We continue to screen all employees and vendors who enter the facility. We are testing our employees twice weekly for COVID-19.

We are currently working towards reopening our facility in line with the governor's reopening plans and guidelines. As soon as we have our plan in place and it is safe to reopen, we will notify you immediately. We understand how difficult it has been for you to not see your loved ones over the past six months and we sincerely thank you for your patience.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 803 534-1001.

Sincerely,

*Linda Blankenship*
