COVID-19 UPDATE

September 3, 2020

Dear Residents and Families/Representatives,

Please accept this letter as our update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. We continue to work towards keeping our staff and residents free from the virus. We are continuing to use our PPE equipment and maintain distance to the best of our ability. We hope all of you are staying safe as well and look forward to seeing you all once the no visitation is lifted.

We hope the family members that were able to make it for our hugging wall enjoyed it. We understand that it is hard on you all as well as our residents. So we try to think outside the box and come up with ways to help bring some joy and comfort in this time of change. We hope to continue to use the hugging wall until the facility opens back up for visitors.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 803 534-1001.

Sincerely,

Linda Blankenship
